Introduction

"ONE STEP AT A TIME LEADS TO SUCCESS"

- *Always utilize time in a fruitful manner.*
- *Do not put off for tomorrow what you can accomplish today.*
- *Failure is not a hurdle, it is the step beyond which lies success.*
- *Introspect, Improvise and Improve.*
- *Try to be a keen observer and listen carefully to all that is worth listening.*
- *When your head, heart and hands work in conformity, success follows.*
- *Learn from your mistakes, never ignore them.*
- *Take criticism positively and accept praise with humility.*
- *Whatever may be the situation, do not forget honesty and truth.*
- *Being grateful, honest and hard working sets a successful person apart from the rest.*

Few More Tips To Be A Scholar

- *Do prepare a subject wise time table.*
- *Stick to the schedule.*
- *Take a break after every two hours.*
- *Drink plenty of water or take sufficient fluid in between.*
- *Go through the whole text and do not forget to underline important points.*
- *Study with concentration and try to avoid destructive thoughts.*
- *Learn the effective ways of reading i.e. skimming and scanning.*
- *Self-study is incomplete without notes. Prepare your notes while revising the topic taught by your teacher.*
- *Pay more attention towards the subjects, you feel you need to put in extra efforts. While studying, take that subject first. Once you have finished that, the rest of the work will be easier.*
- *Revise weekly and fortnightly.*
- *Never leave the difficulties unsolved. Always ask your teachers or wise companions whenever you have any doubt.*
- *While writing answers in the examination, attempt all the questions and make sure you finish the entire paper in time. Attempt the subparts of each section together. Never forget to underline whatever you want to bring to the examiner's notice.*

ASSESSMENT CRITERIA

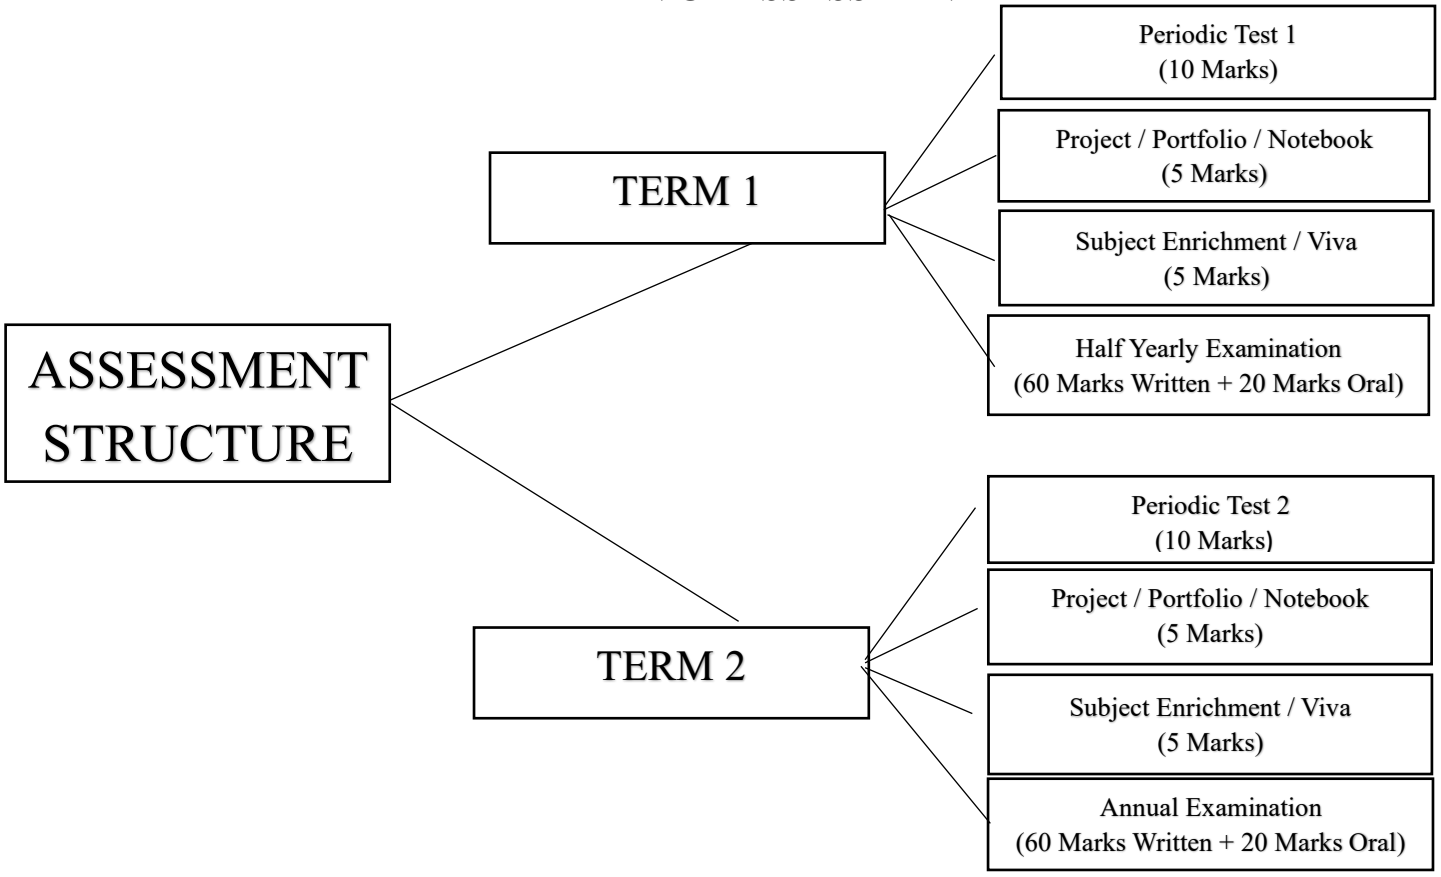

(The Engine which drives student learning)

- Adequate revision will be taken before all the assessments.
- As per school's policy the student's academic/co-curricular performance, discipline and attendance shall be the final criteria for the student's promotion to the next class.
- Kindly go through the CBSE rules and regulations, including those related to promotion in terms of academic performance /minimum attendance.
- It is mandatory for all the students to be present in the assessments. Failing which may affect the aggregate result /promotion to the next class.
- Please do take time to understand the philosophy, ideology and evaluation system followed at **The Vedansh International School**, in order to bring out the best in your child.

Introduction

"ONE STEP AT A TIME LEADS TO SUCCESS"

- *Always utilize time in a fruitful manner.*
- *Do not put off for tomorrow what you can accomplish today.*
- *Failure is not a hurdle, it is the step beyond which lies success.*
- *Introspect, Improvise and Improve.*
- *Try to be a keen observer and listen carefully to all that is worth listening.*
- *When your head, heart and hands work in conformity, success follows.*
- *Learn from your mistakes, never ignore them.*
- *Take criticism positively and accept praise with humility.*
- *Whatever may be the situation, do not forget honesty and truth.*
- *Being grateful, honest and hard working sets a successful person apart from the rest.*

Few More Tips To Be A Scholar

- *Do prepare a subject wise time table.*
- *Stick to the schedule.*
- *Take a break after every two hours.*
- *Drink plenty of water or take sufficient fluid in between.*
- *Go through the whole text and do not forget to underline important points.*
- *Study with concentration and try to avoid destructive thoughts.*
- *Learn the effective ways of reading i.e. skimming and scanning.*
- *Self-study is incomplete without notes. Prepare your notes while revising the topic taught by your teacher.*
- *Pay more attention towards the subjects, you feel you need to put in extra efforts. While studying, take that subject first. Once you have finished that, the rest of the work will be easier.*
- *Revise weekly and fortnightly.*
- *Never leave the difficulties unsolved. Always ask your teachers or wise companions whenever you have any doubt.*
- *While writing answers in the examination, attempt all the questions and make sure you finish the entire paper in time. Attempt the subparts of each section together. Never forget to underline whatever you want to bring to the examiner's notice.*

ASSESSMENT CRITERIA

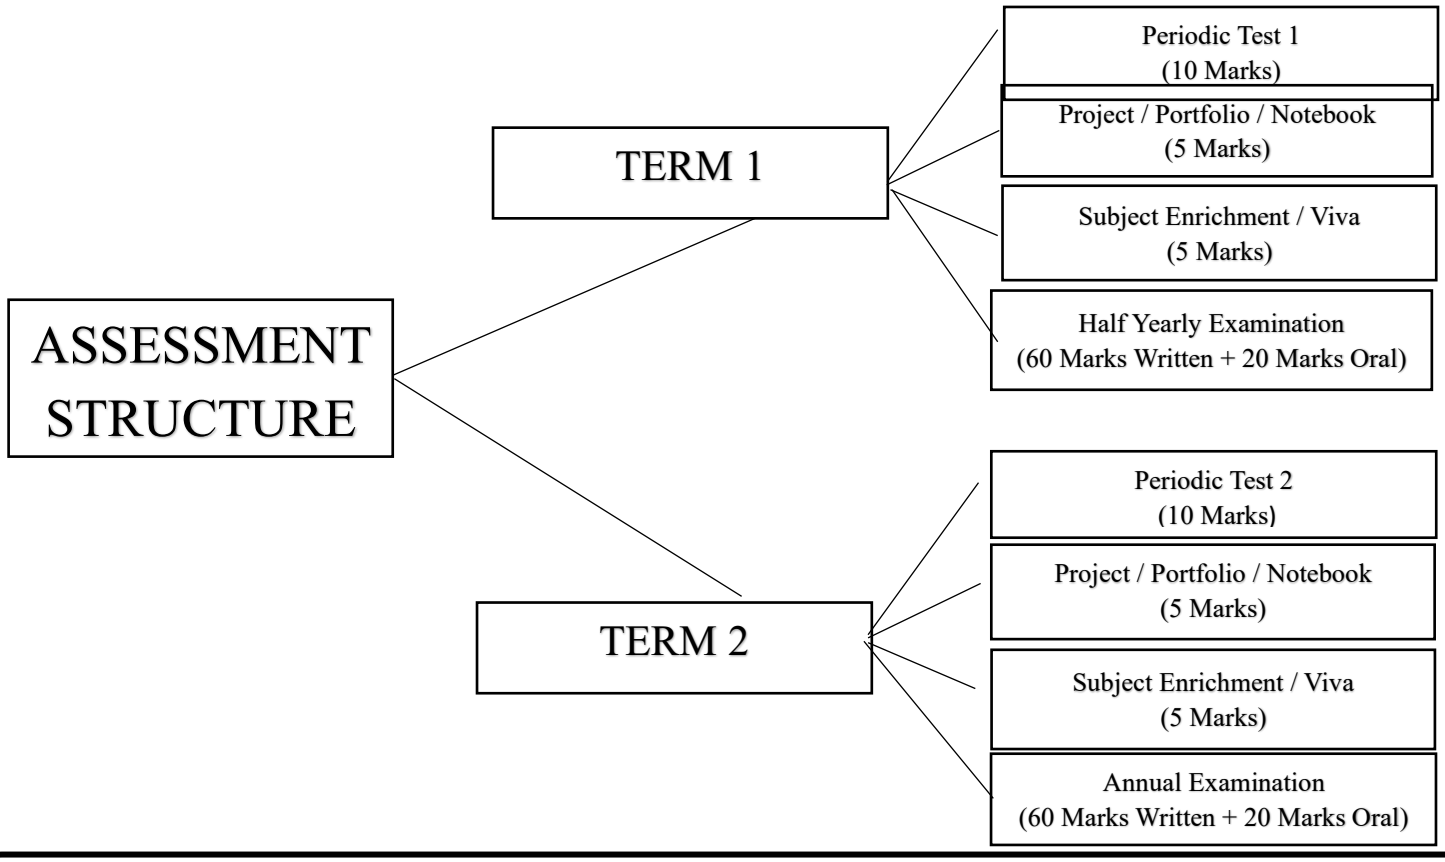

(The Engine which drives student learning)

- Adequate revision will be taken before all the assessments.
- As per school's policy the student's academic/co-curricular performance, discipline and attendance shall be the final criteria for the student's promotion to the next class.
- Kindly go through the CBSE rules and regulations, including those related to promotion in terms of academic performance /minimum attendance.
- It is mandatory for all the students to be present in the assessments. Failing which may affect the aggregate result /promotion to the next class.
- Please do take time to understand the philosophy, ideology and evaluation system followed at **The Vedansh International School**, in order to bring out the best in your child.

Introduction

"ONE STEP AT A TIME LEADS TO SUCCESS"

- *Always utilize time in a fruitful manner.*
- *Do not put off for tomorrow what you can accomplish today.*
- *Failure is not a hurdle, it is the step beyond which lies success.*
- *Introspect, Improvise and Improve.*
- *Try to be a keen observer and listen carefully to all that is worth listening.*
- *When your head, heart and hands work in conformity, success follows.*
- *Learn from your mistakes, never ignore them.*
- *Take criticism positively and accept praise with humility.*
- *Whatever may be the situation, do not forget honesty and truth.*
- *Being grateful, honest and hard working sets a successful person apart from the rest.*

Few More Tips To Be A Scholar

- *Do prepare a subject wise time table.*
- *Stick to the schedule.*
- *Take a break after every two hours.*
- *Drink plenty of water or take sufficient fluid in between.*
- *Go through the whole text and do not forget to underline important points.*
- *Study with concentration and try to avoid destructive thoughts.*
- *Learn the effective ways of reading i.e. skimming and scanning.*
- *Self-study is incomplete without notes. Prepare your notes while revising the topic taught by your teacher.*
- *Pay more attention towards the subjects, you feel you need to put in extra efforts. While studying, take that subject first. Once you have finished that, the rest of the work will be easier.*
- *Revise weekly and fortnightly.*
- *Never leave the difficulties unsolved. Always ask your teachers or wise companions whenever you have any doubt.*
- *While writing answers in the examination, attempt all the questions and make sure you finish the entire paper in time. Attempt the subparts of each section together. Never forget to underline whatever you want to bring to the examiner's notice.*

ASSESSMENT CRITERIA

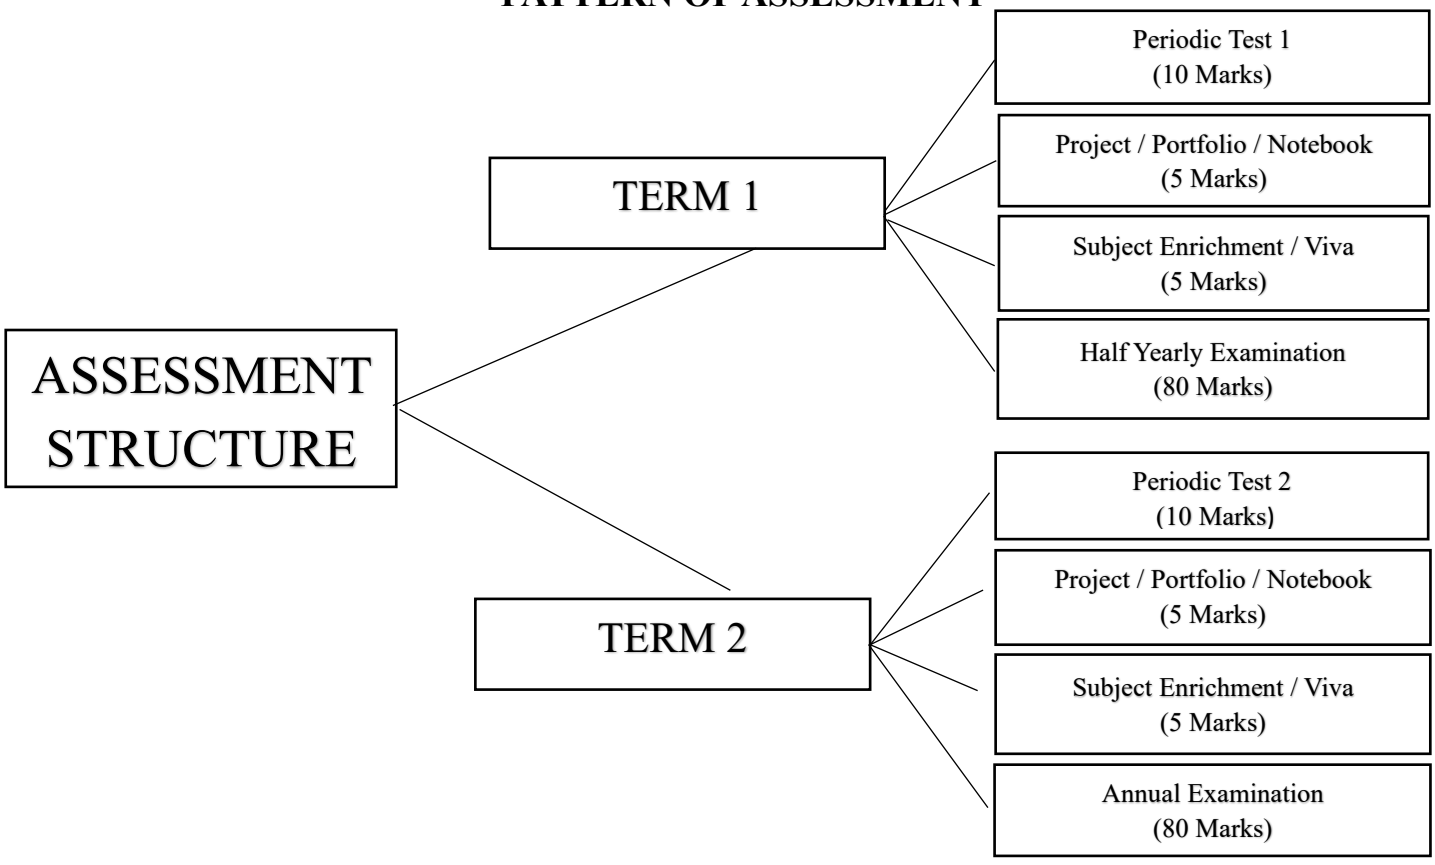

(The Engine which drives student learning)

- Adequate revision will be taken before all the assessments.
- As per school's policy the student's academic/co-curricular performance, discipline and attendance shall be the final criteria for the student's promotion to the next class.
- Kindly go through the CBSE rules and regulations, including those related to promotion in terms of academic performance /minimum attendance.
- It is mandatory for all the students to be present in the assessments. Failing which may affect the aggregate result /promotion to the next class.
- Please do take time to understand the philosophy, ideology and evaluation system followed at **The Vedansh International School**, in order to bring out the best in your child.

Introduction

"ONE STEP AT A TIME LEADS TO SUCCESS"

- *Always utilize time in a fruitful manner.*
- *Do not put off for tomorrow what you can accomplish today.*
- *Failure is not a hurdle, it is the step beyond which lies success.*
- *Introspect, Improvise and Improve.*
- *Try to be a keen observer and listen carefully to all that is worth listening.*
- *When your head, heart and hands work in conformity, success follows.*
- *Learn from your mistakes, never ignore them.*
- *Take criticism positively and accept praise with humility.*
- *Whatever may be the situation, do not forget honesty and truth.*
- *Being grateful, honest and hard working sets a successful person apart from the rest.*

Few More Tips To Be A Scholar

- *Do prepare a subject wise time table.*
- *Stick to the schedule.*
- *Take a break after every two hours.*
- *Drink plenty of water or take sufficient fluid in between.*
- *Go through the whole text and do not forget to underline important points.*
- *Study with concentration and try to avoid destructive thoughts.*
- *Learn the effective ways of reading i.e. skimming and scanning.*
- *Self-study is incomplete without notes. Prepare your notes while revising the topic taught by your teacher.*
- *Pay more attention towards the subjects, you feel you need to put in extra efforts. While studying, take that subject first. Once you have finished that, the rest of the work will be easier.*
- *Revise weekly and fortnightly.*
- *Never leave the difficulties unsolved. Always ask your teachers or wise companions whenever you have any doubt.*
- *While writing answers in the examination, attempt all the questions and make sure you finish the entire paper in time. Attempt the subparts of each section together. Never forget to underline whatever you want to bring to the examiner's notice.*

ASSESSMENT CRITERIA

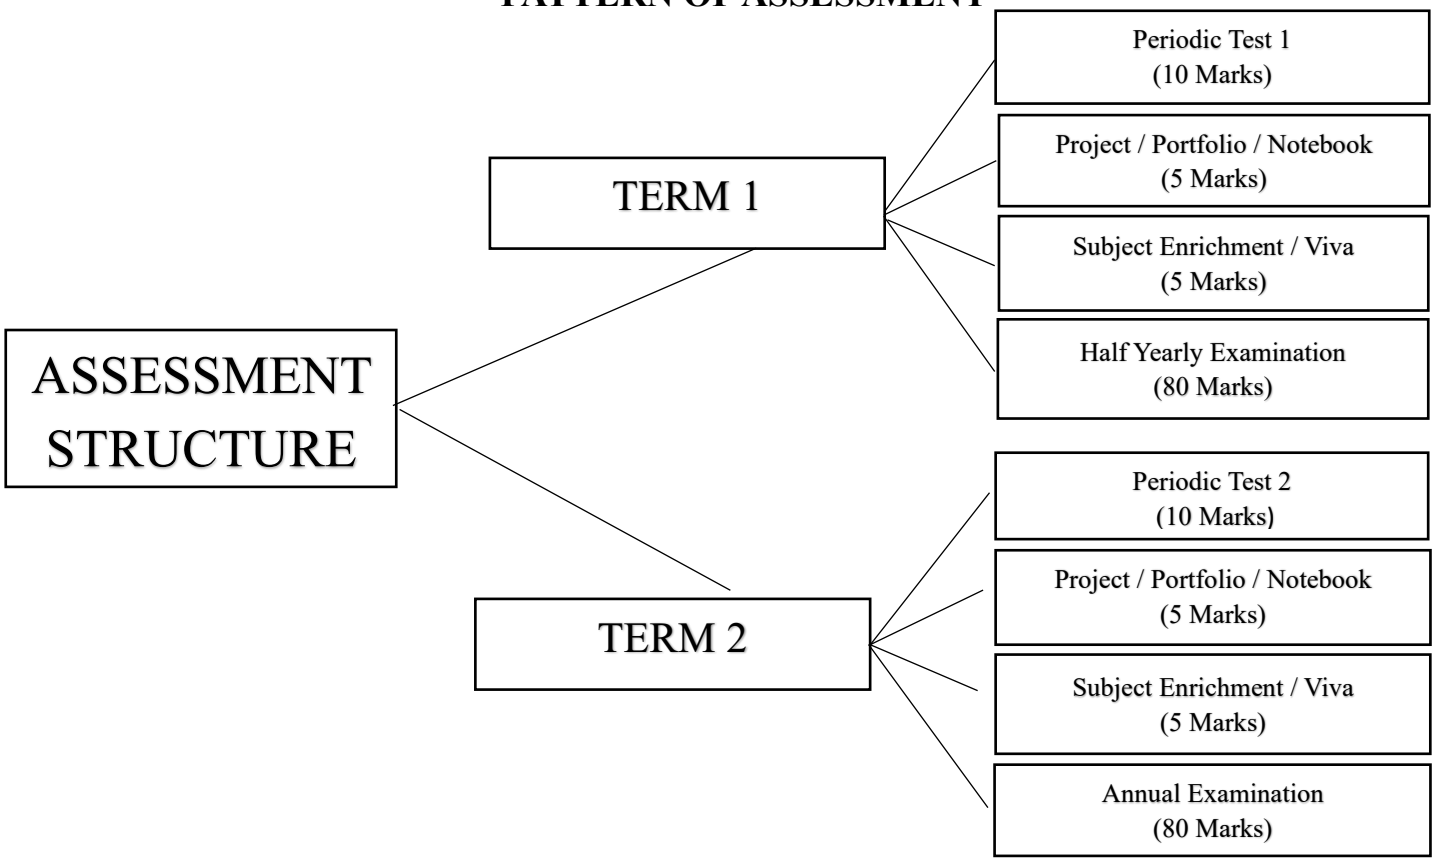

(The Engine which drives student learning)

- Adequate revision will be taken before all the assessments.
- As per school's policy the student's academic/co-curricular performance, discipline and attendance shall be the final criteria for the student's promotion to the next class.
- Kindly go through the CBSE rules and regulations, including those related to promotion in terms of academic performance /minimum attendance.
- It is mandatory for all the students to be present in the assessments. Failing which may affect the aggregate result /promotion to the next class.
- Please do take time to understand the philosophy, ideology and evaluation system followed at **The Vedansh International School**, in order to bring out the best in your child.

Introduction

"ONE STEP AT A TIME LEADS TO SUCCESS"

- *Always utilize time in a fruitful manner.*
- *Do not put off for tomorrow what you can accomplish today.*
- *Failure is not a hurdle, it is the step beyond which lies success.*
- *Introspect, Improvise and Improve.*
- *Try to be a keen observer and listen carefully to all that is worth listening.*
- *When your head, heart and hands work in conformity, success follows.*
- *Learn from your mistakes, never ignore them.*
- *Take criticism positively and accept praise with humility.*
- *Whatever may be the situation, do not forget honesty and truth.*
- *Being grateful, honest and hard working sets a successful person apart from the rest.*

Few More Tips To Be A Scholar

- *Do prepare a subject wise time table.*
- *Stick to the schedule.*
- *Take a break after every two hours.*
- *Drink plenty of water or take sufficient fluid in between.*
- *Go through the whole text and do not forget to underline important points.*
- *Study with concentration and try to avoid destructive thoughts.*
- *Learn the effective ways of reading i.e. skimming and scanning.*
- *Self-study is incomplete without notes. Prepare your notes while revising the topic taught by your teacher.*
- *Pay more attention towards the subjects, you feel you need to put in extra efforts. While studying, take that subject first. Once you have finished that, the rest of the work will be easier.*
- *Revise weekly and fortnightly.*
- *Never leave the difficulties unsolved. Always ask your teachers or wise companions whenever you have any doubt.*
- *While writing answers in the examination, attempt all the questions and make sure you finish the entire paper in time. Attempt the subparts of each section together. Never forget to underline whatever you want to bring to the examiner's notice.*

ASSESSMENT CRITERIA

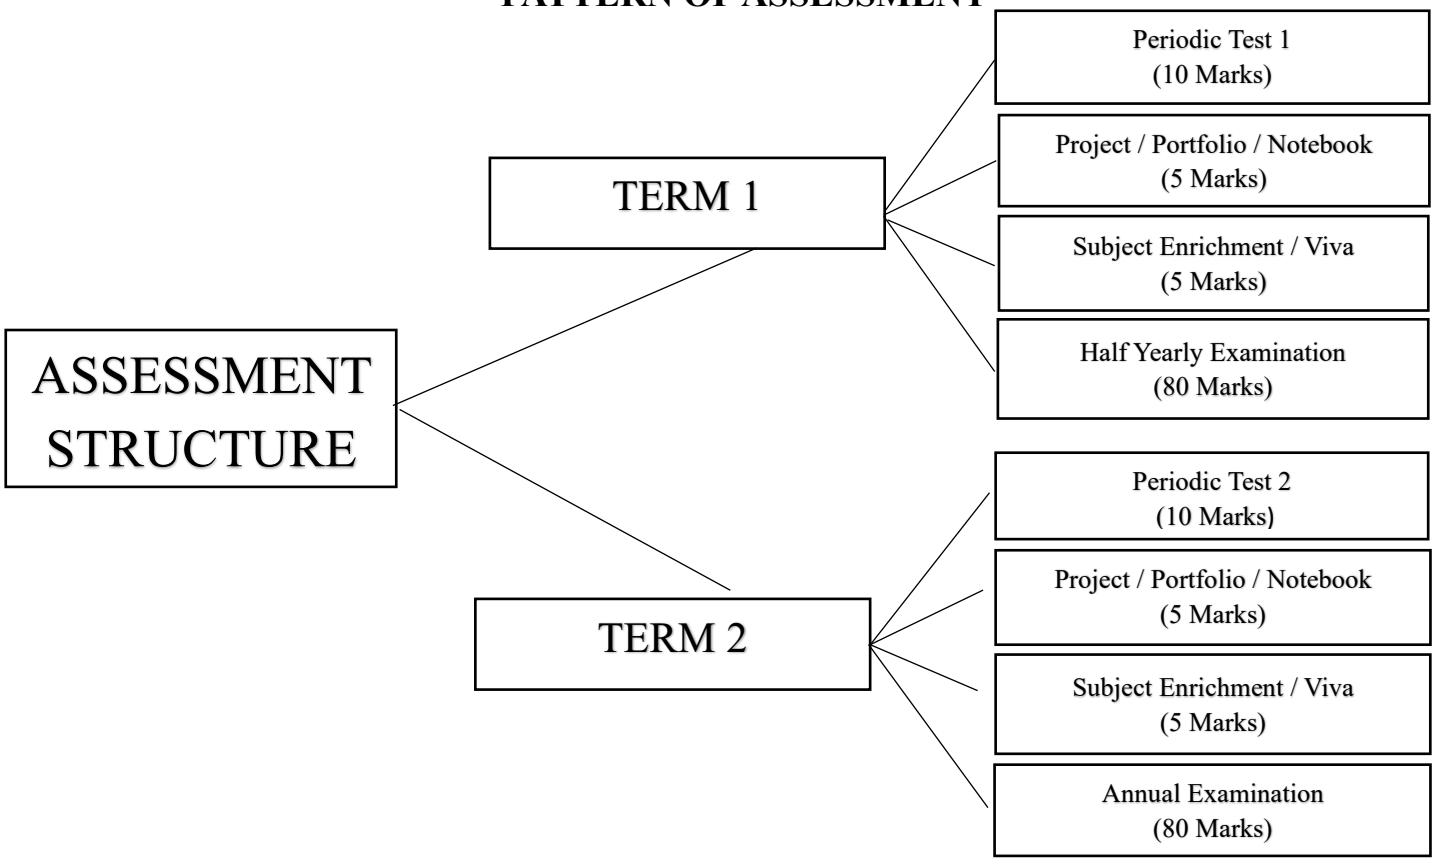

(The Engine which drives student learning)

- Adequate revision will be taken before all the assessments.
- As per school's policy the student's academic/co-curricular performance, discipline and attendance shall be the final criteria for the student's promotion to the next class.
- Kindly go through the CBSE rules and regulations, including those related to promotion in terms of academic performance /minimum attendance.
- It is mandatory for all the students to be present in the assessments. Failing which may affect the aggregate result /promotion to the next class.
- Please do take time to understand the philosophy, ideology and evaluation system followed at **The Vedansh International School**, in order to bring out the best in your child.

Introduction

"ONE STEP AT A TIME LEADS TO SUCCESS"

- *Always utilize time in a fruitful manner.*
- *Do not put off for tomorrow what you can accomplish today.*
- *Failure is not a hurdle, it is the step beyond which lies success.*
- *Introspect, Improvise and Improve.*
- *Try to be a keen observer and listen carefully to all that is worth listening.*
- *When your head, heart and hands work in conformity, success follows.*
- *Learn from your mistakes, never ignore them.*
- *Take criticism positively and accept praise with humility.*
- *Whatever may be the situation, do not forget honesty and truth.*
- *Being grateful, honest and hard working sets a successful person apart from the rest.*

Few More Tips To Be A Scholar

- *Do prepare a subject wise time table.*
- *Stick to the schedule.*
- *Take a break after every two hours.*
- *Drink plenty of water or take sufficient fluid in between.*
- *Go through the whole text and do not forget to underline important points.*
- *Study with concentration and try to avoid destructive thoughts.*
- *Learn the effective ways of reading i.e. skimming and scanning.*
- *Self-study is incomplete without notes. Prepare your notes while revising the topic taught by your teacher.*
- *Pay more attention towards the subjects, you feel you need to put in extra efforts. While studying, take that subject first. Once you have finished that, the rest of the work will be easier.*
- *Revise weekly and fortnightly.*
- *Never leave the difficulties unsolved. Always ask your teachers or wise companions whenever you have any doubt.*
- *While writing answers in the examination, attempt all the questions and make sure you finish the entire paper in time. Attempt the subparts of each section together. Never forget to underline whatever you want to bring to the examiner's notice.*

ASSESSMENT CRITERIA

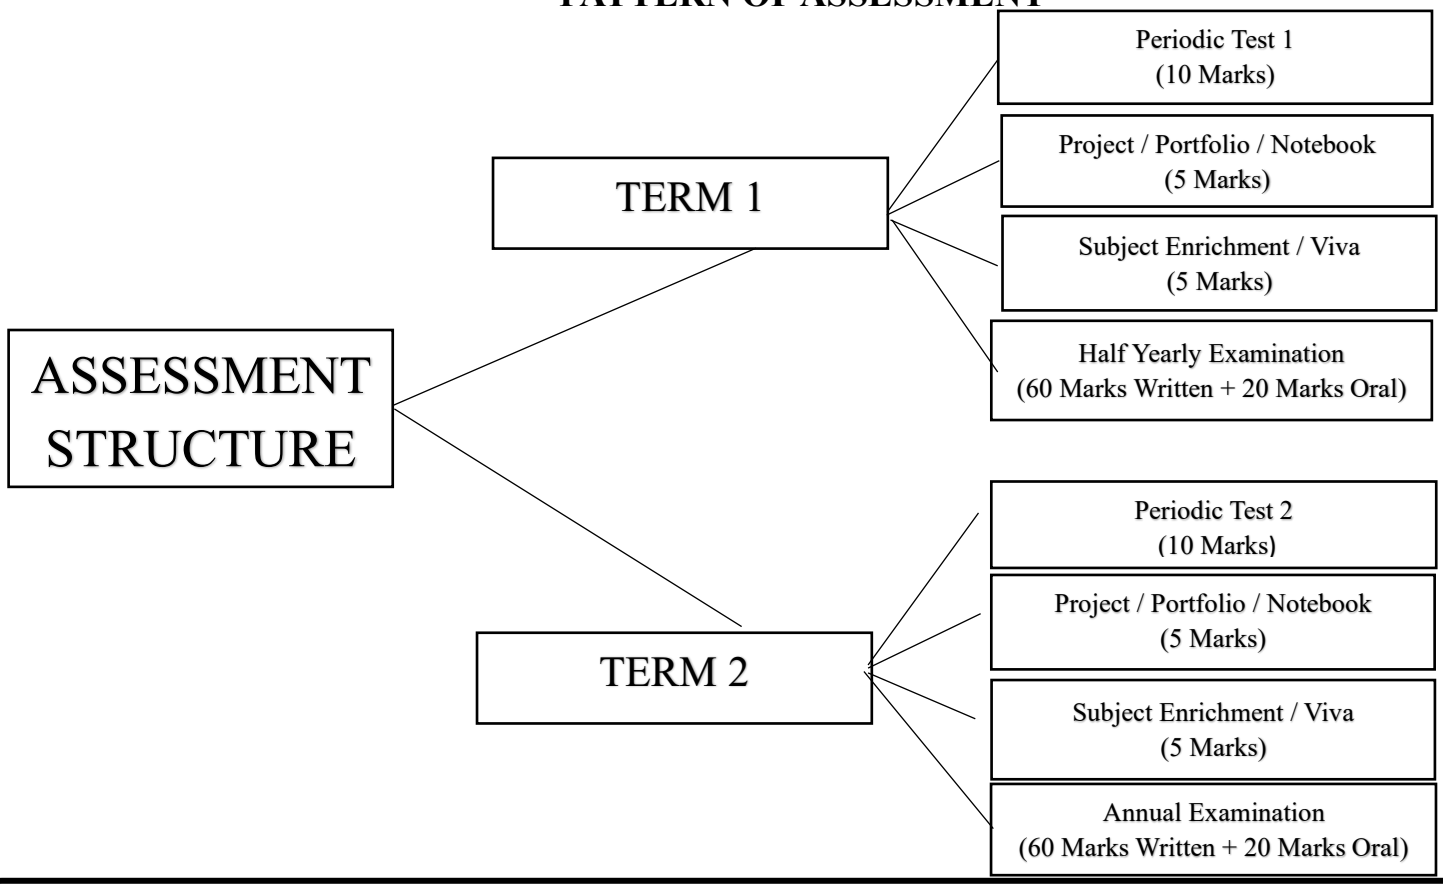

(The Engine which drives student learning)

- Adequate revision will be taken before all the assessments.
- As per school's policy the student's academic/co-curricular performance, discipline and attendance shall be the final criteria for the student's promotion to the next class.
- Kindly go through the CBSE rules and regulations, including those related to promotion in terms of academic performance /minimum attendance.
- It is mandatory for all the students to be present in the assessments. Failing which may affect the aggregate result /promotion to the next class.
- Please do take time to understand the philosophy, ideology and evaluation system followed at **The Vedansh International School**, in order to bring out the best in your child.

Introduction

"ONE STEP AT A TIME LEADS TO SUCCESS"

- *Always utilize time in a fruitful manner.*
- *Do not put off for tomorrow what you can accomplish today.*
- *Failure is not a hurdle, it is the step beyond which lies success.*
- *Introspect, Improvise and Improve.*
- *Try to be a keen observer and listen carefully to all that is worth listening.*
- *When your head, heart and hands work in conformity, success follows.*
- *Learn from your mistakes, never ignore them.*
- *Take criticism positively and accept praise with humility.*
- *Whatever may be the situation, do not forget honesty and truth.*
- *Being grateful, honest and hard working sets a successful person apart from the rest.*

Few More Tips To Be A Scholar

- *Do prepare a subject wise time table.*
- *Stick to the schedule.*
- *Take a break after every two hours.*
- *Drink plenty of water or take sufficient fluid in between.*
- *Go through the whole text and do not forget to underline important points.*
- *Study with concentration and try to avoid destructive thoughts.*
- *Learn the effective ways of reading i.e. skimming and scanning.*
- *Self-study is incomplete without notes. Prepare your notes while revising the topic taught by your teacher.*
- *Pay more attention towards the subjects, you feel you need to put in extra efforts. While studying, take that subject first. Once you have finished that, the rest of the work will be easier.*
- *Revise weekly and fortnightly.*
- *Never leave the difficulties unsolved. Always ask your teachers or wise companions whenever you have any dou*
- *While writing answers in the examination, attempt all the questions and make sure you finish the entire paper in time. Attempt the subparts of each section together. Never forget to underline whatever you want to bring to the examiner's notice.*

ASSESSMENT CRITERIA

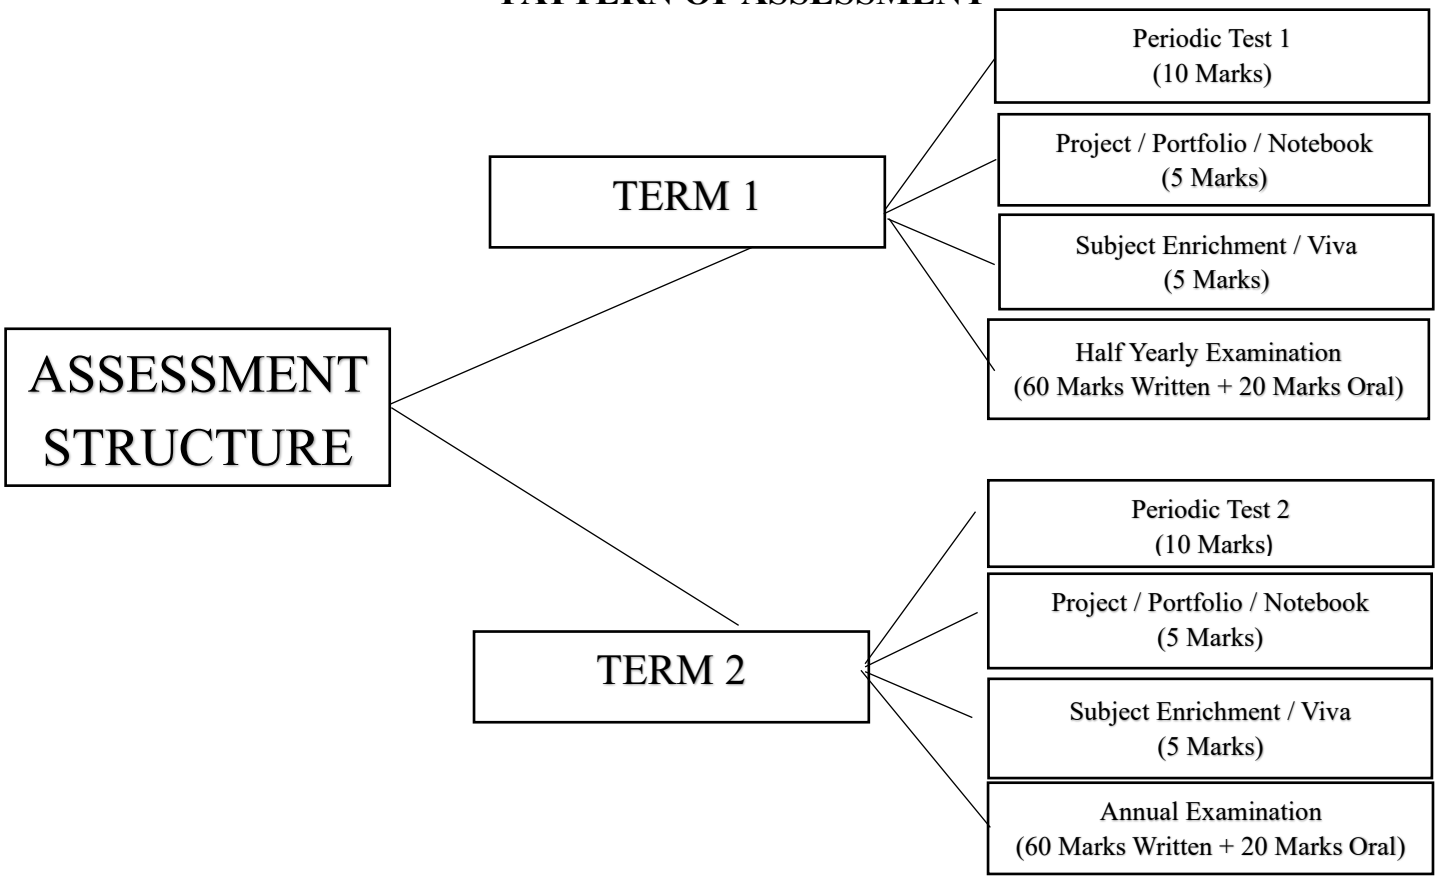

(The Engine which drives student learning)

- Adequate revision will be taken before all the assessments.
- As per school's policy the student's academic/co-curricular performance, discipline and attendance shall be the final criteria for the student's promotion to the next class.
- Kindly go through the CBSE rules and regulations, including those related to promotion in terms of academic performance /minimum attendance.
- It is mandatory for all the students to be present in the assessments. Failing which may affect the aggregate result /promotion to the next class.
- Please do take time to understand the philosophy, ideology and evaluation system followed at **The Vedansh International School**, in order to bring out the best in your child.

Introduction

"ONE STEP AT A TIME LEADS TO SUCCESS"

- *Always utilize time in a fruitful manner.*
- *Do not put off for tomorrow what you can accomplish today.*
- *Failure is not a hurdle, it is the step beyond which lies success.*
- *Introspect, Improvise and Improve.*
- *Try to be a keen observer and listen carefully to all that is worth listening.*
- *When your head, heart and hands work in conformity, success follows.*
- *Learn from your mistakes, never ignore them.*
- *Take criticism positively and accept praise with humility.*
- *Whatever may be the situation, do not forget honesty and truth.*
- *Being grateful, honest and hard working sets a successful person apart from the rest.*

Few More Tips To Be A Scholar

- *Do prepare a subject wise time table.*
- *Stick to the schedule.*
- *Take a break after every two hours.*
- *Drink plenty of water or take sufficient fluid in between.*
- *Go through the whole text and do not forget to underline important points.*
- *Study with concentration and try to avoid destructive thoughts.*
- *Learn the effective ways of reading i.e. skimming and scanning.*
- *Self-study is incomplete without notes. Prepare your notes while revising the topic taught by your teacher.*
- *Pay more attention towards the subjects, you feel you need to put in extra efforts. While studying, take that subject first. Once you have finished that, the rest of the work will be easier.*
- *Revise weekly and fortnightly.*
- *Never leave the difficulties unsolved. Always ask your teachers or wise companions whenever you have any doubt.*
- *While writing answers in the examination, attempt all the questions and make sure you finish the entire paper in time. Attempt the subparts of each section together. Never forget to underline whatever you want to bring to the examiner's notice.*

ASSESSMENT CRITERIA

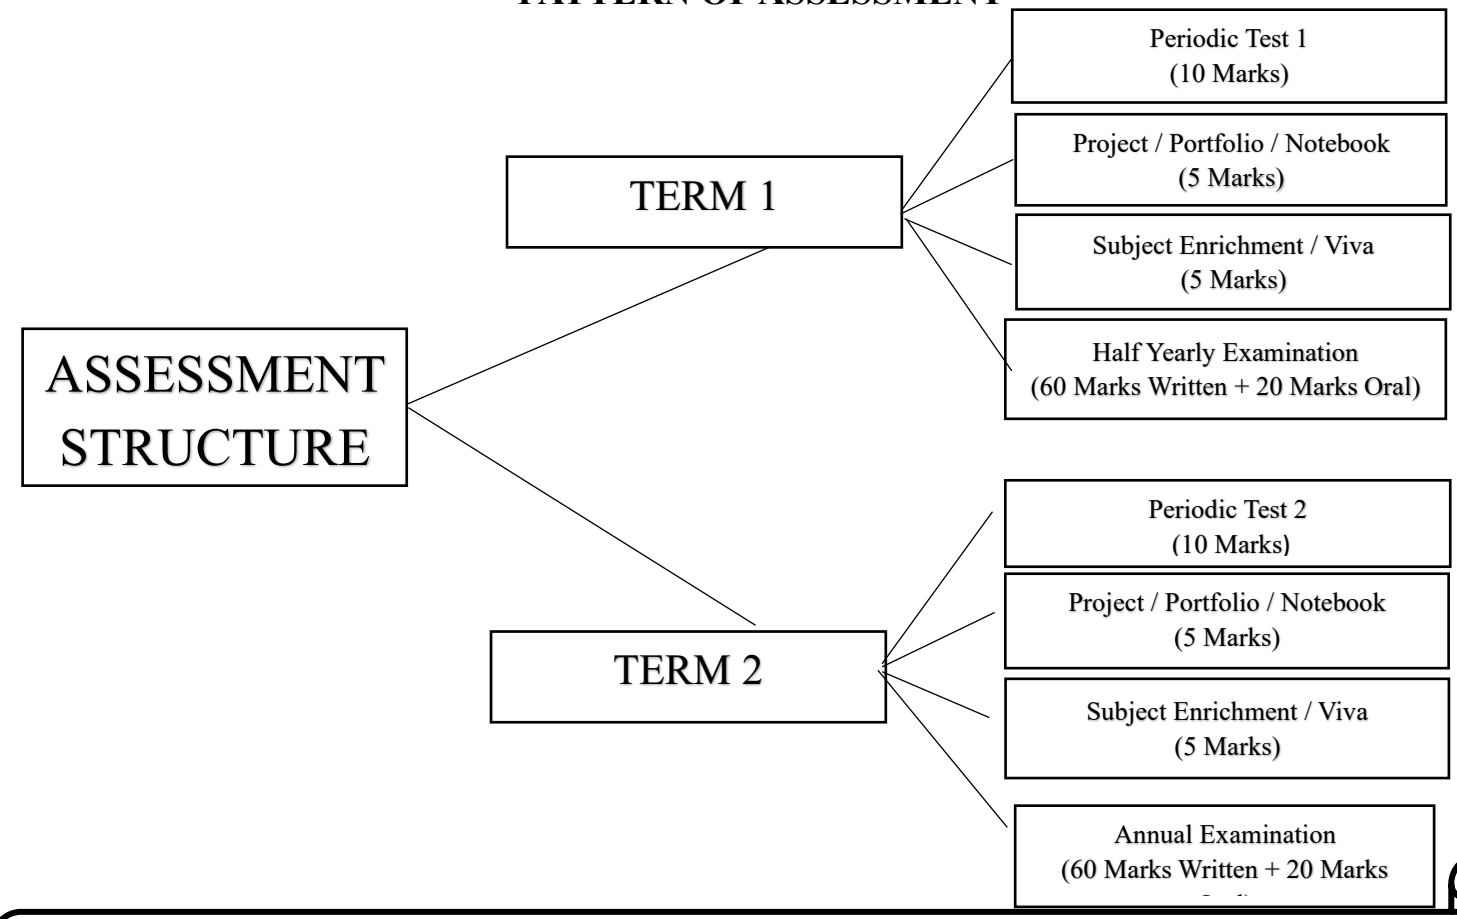

(The Engine which drives student learning)

- Adequate revision will be taken before all the assessments.
- As per school's policy the student's academic/co-curricular performance, discipline and attendance shall be the final criteria for the student's promotion to the next class.
- Kindly go through the CBSE rules and regulations, including those related to promotion in terms of academic performance /minimum attendance.
- It is mandatory for all the students to be present in the assessments. Failing which may affect the aggregate result /promotion to the next class.
- Please do take time to understand the philosophy, ideology and evaluation system followed at **The Vedansh International School**, in order to bring out the best in your child.

Introduction

"ONE STEP AT A TIME LEADS TO SUCCESS"

- *Always utilize time in a fruitful manner.*
- *Do not put off for tomorrow what you can accomplish today.*
- *Failure is not a hurdle, it is the step beyond which lies success.*
- *Introspect, Improvise and Improve.*
- *Try to be a keen observer and listen carefully to all that is worth listening.*
- *When your head, heart and hands work in conformity, success follows.*
- *Learn from your mistakes, never ignore them.*
- *Take criticism positively and accept praise with humility.*
- *Whatever may be the situation, do not forget honesty and truth.*
- *Being grateful, honest and hard working sets a successful person apart from the rest.*

Few More Tips To Be A Scholar

- *Do prepare a subject wise time table.*
- *Stick to the schedule.*
- *Take a break after every two hours.*
- *Drink plenty of water or take sufficient fluid in between.*
- *Go through the whole text and do not forget to underline important points.*
- *Study with concentration and try to avoid destructive thoughts.*
- *Learn the effective ways of reading i.e. skimming and scanning.*
- *Self-study is incomplete without notes. Prepare your notes while revising the topic taught by your teacher.*
- *Pay more attention towards the subjects, you feel you need to put in extra efforts. While studying, take that subject first. Once you have finished that, the rest of the work will be easier.*
- *Revise weekly and fortnightly.*
- *Never leave the difficulties unsolved. Always ask your teachers or wise companions whenever you have any doubt.*
- *While writing answers in the examination, attempt all the questions and make sure you finish the entire paper in time. Attempt the subparts of each section together. Never forget to underline whatever you want to bring to the examiner's notice.*

ASSESSMENT CRITERIA

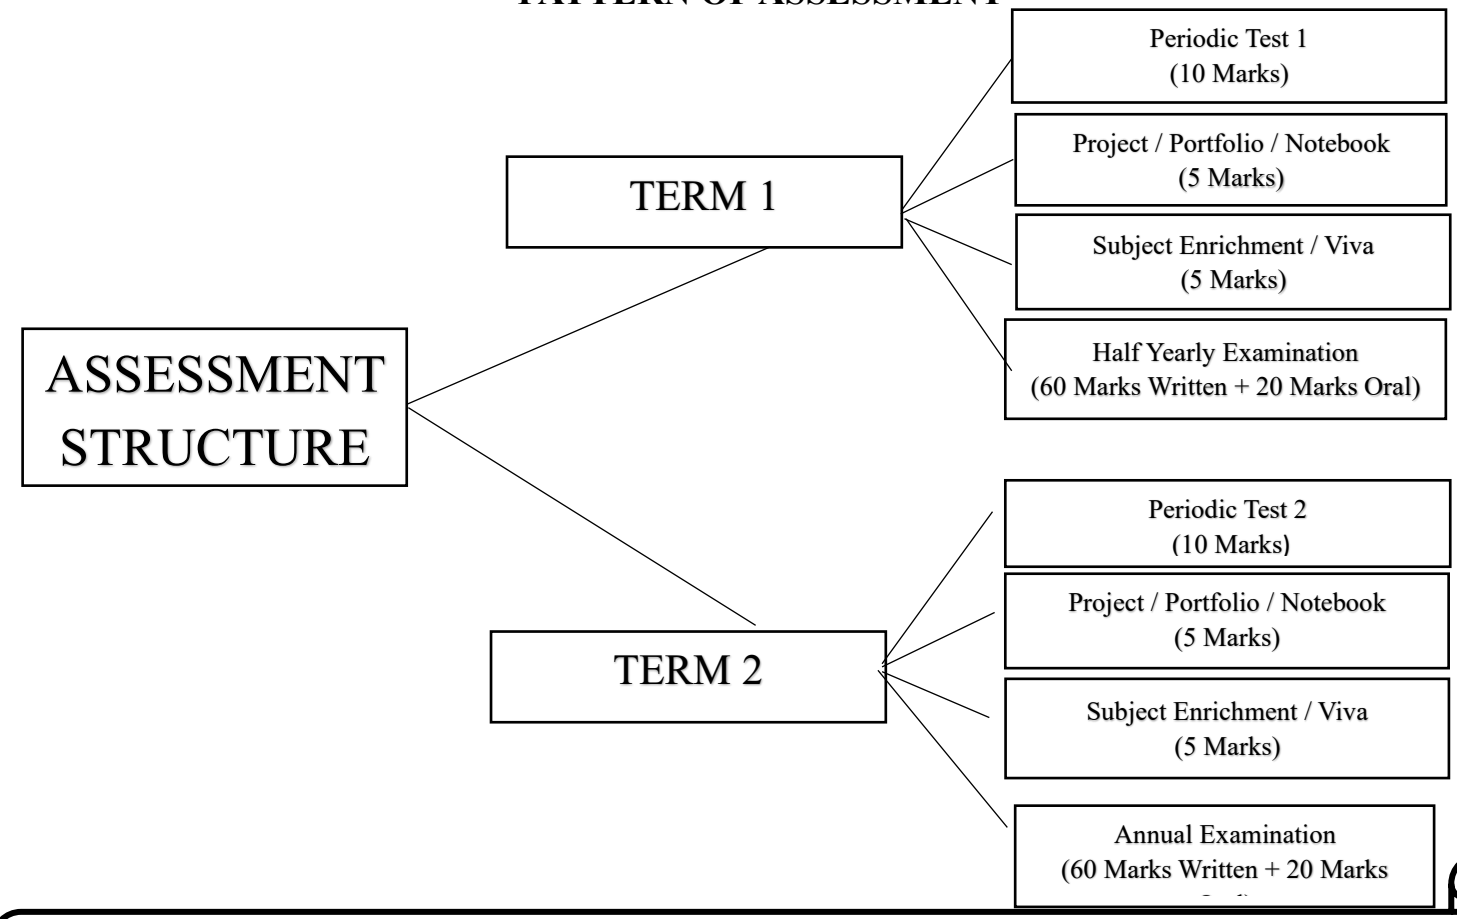

(The Engine which drives student learning)

- Adequate revision will be taken before all the assessments.
- As per school's policy the student's academic/co-curricular performance, discipline and attendance shall be the final criteria for the student's promotion to the next class.
- Kindly go through the CBSE rules and regulations, including those related to promotion in terms of academic performance /minimum attendance.
- It is mandatory for all the students to be present in the assessments. Failing which may affect the aggregate result /promotion to the next class.
- Please do take time to understand the philosophy, ideology and evaluation system followed at **The Vedansh International School**, in order to bring out the best in your child.
